

the partnership  
for water sustainability in bc

— This **CERTIFICATE** recognizes —

*Kate Miller*

as a recipient of the **WATERSHED MOMENTS AWARD**,  
in memory of Rob Lawrance

An environmental planner with the City of Nanaimo, and a founding member of the Watershed Moments Team, Rob Lawrance had an extraordinary ability to connect people with people, and people with place. He championed embedding of ecosystem values within municipal planning, processes and projects.

The Watershed Moments Award recognizes individuals whose extraordinary contributions elevate recognition of ecosystem values and benefits; and advance their integration within the built environment to foster enhancement of communities and community.

Because you have demonstrated passion and commitment, the Directors are pleased to honour you with this award. You bring special value to the partnership mission for reconnecting people, fish, land, and water in altered landscapes.
