Dear Mr. Stephens,

Re: Inter-Regional Rainwater Management Education Initiatives

Thank you for attending the CVRD's Regional Services Committee meeting on March 28, 2012 and for your presentation on an "Inter-Regional Education Initiative for Rainwater Management in a Watershed Sustainability Context".

I am pleased to advise that at its April 11, 2012 meeting, the Cowichan Valley Regional District Board resolved:

"That the Board endorse the Inter-Regional Initiative on Rainwater Management and support the associated Comox Valley Regional District Gas Tax Capacity Building Grant Application to fund related inter-regional education and learning activities in the Capital Regional District, Cowichan Valley Regional District, Regional District of Nanaimo and Comox Valley Regional District."

Thanks again and best wishes in moving the program forward!

Yours truly,

Warren Jones
Chief Administrative Officer

WJ/ann
